

## Emergency forces Our Lady Peace to cancel appearance

2009-08-29

The New York State Fair has just learned that Our Lady Peace, the opening act for The Fray at tonight's Mohegan Sun Grandstand concert, has been forced to cancel its appearance due to an emergency involving a family member of one of the band's musicians.

The Fair is trying to find a replacement to open for The Fray tonight, and will provide an update as soon as possible.
